11. Robber 2
12. Robber 3
13. Queen
14. Wolf
15. Bear

Story-teller:	Our story begins with a boy, who is sitting at home, doing his home work.
Boy:	The task is "Fill in the blanks with should, must, can or ought to"
Story-teller:	At this moment the modal verbs are sitting on the forest ground. (подходит к глаголам). Hello, my dear friends! As you can see, this boy doesn't know modal verbs. And our aim is to prevent this.
Modal verbs:	Yes!!! You are right!!! He must learn us more carefully!!!
Boy:	"It is important, that we _____ read it. "Well, I think "... we can read..." No, "... we have to read..." No, no... Oh, must ! And it sounds good - "It is important, that we must read it."
Must:	He must not put me there!
Should:	He should put me there!
Can:	We can't leave it like this!
Have to:	We have to do some thing!
Story-teller:	Must, go and help him.

Все глаголы уходят, Must идет к мальчику

Must:	I think you have some problems. As I'm must I must help you. Let's go with me.
Story-teller:	And they return to the forest ground.
Must:	I'm not a gold fish and I must realize only one your wish.
Boy:	I want to have "5" in grammar.
Must:	Oh, you want to have "5", than you must go to the queen. Here is the entrance to the kingdom.
Guard 1:	Halt! Who goes there?
Boy:	I want to see the queen.
Guard 2:	OK. But at first. (показывает плакат с предложением)

Boy:	<p>"If you want to see the queen all the way you'll _____ think"</p> <p>And you have variants:</p> <p>a) should; b) must; c) have to; d) can</p> <p>(выходят четыре модальных глагола)</p>
Story-teller:	The boy is thinking, but anyway he doesn't know the right answer.
Guard 1:	You don't know the right answer?
Guard 2:	How can it be? We think you are not good pupil. And this kingdom is just for you.
Guard 1:	We will help you now. But it must be a good lesson for you.
Guard 2:	Put have to and we will let you.
Boy:	"If you want to see the queen all the way you'll have to think". Thank you guards! I will never forget it!
Story-teller:	And the guards let him go.

Then he sees guides:

To the right - modal verbs

To the left - school

Straight - the queen

Boy:	Of course I'll go straight.
(Только он делает шаг вперед, как навстречу ему выходит "pretty woman")	
Witch:	Ah-a, I caught you.
Boy:	Oh. . . Oh. .
Witch:	<i>I was flying on my broom And was looking for my groom But now you are with me And you will marry me!</i>
Boy:	Please, beautiful creature, let me go.
Witch:	But I was waiting for you for ages.
Boy:	I really need to see the queen.

Witch:	OK. If you can solve this puzzle I will let you go. "If you _____ (study) well, you _____ (not be) here" (показывает ему плакат с заданием)
---------------	--

Мальчик думает, но не может ответить.

Witch:	You can't do it, so you'll stay with me.
Boy:	No, no, please! I can't.
Witch:	You have no choice! You don't know the answer! And nothing will help you!

Но тут мальчик вспоминает, что у него с собой тетрадь. Он достает ее и решает предложение, пока Баба-Яга отвлеклась.

Boy:	"If you had studied well, you wouldn't be here". (и убегает)
Witch:	Oh, how stupid and old I'm.
Story-teller:	And the boy continues his way. But suddenly robbers attack him.

Robber 1:	Ha-ha, we have caught you.
Robber 2:	Just look at him, what a good piece of human being
Robber 3:	It has been long time since we didn't kill anyone.
Robber 1:	Let me kill him.
Robber 2:	Stop, who is head here, you or me?
Robber 3:	Oh, insect be ready to face your death.
Robber 1:	Of course we have task for you, but you will not do it anyway.
Robber 2:	And we will kill you.
Robber 3:	We have made up one task for you.

Разбойники показывают ему задание:

Robber 1:	"But for your correct answer you _____ killed".
------------------	--

Разбойники начинают спорить, а мальчик снова достает свою тетрадь и находит правильный ответ.

Boy:	"But for your correct answer you would be killed."
-------------	---

Разбойники в шоке оглядываются друг на друга, а мальчик в этот момент убегает.

Boy:	Now I understand. It would be better for me to learn Grammar.
-------------	---

В этот момент королева обсуждает со своими помощниками мальчика.

Queen:	OK, I see that the boy is trying enough. Friends, I want you to help him. I see that he has changed. Now he deserves to see me. Go and bring him to me.
---------------	---

Медведь и волк идут помочь мальчику.

Bear:	You are on the right way my dear friend.
Wolf:	If you try, everything will be all right. And now let's go with us.
Queen:	I heard you had some wish. You wished to get "5", but didn't care how to deserve it. Now you see that it is not so easy to deserve this mark. Now I believe you understand everything and you will work hard.
Boy:	Yes, I understand that grammar is really necessary to know. There is no English language without grammar! And I will work hard to make my dream come true. I want to know English!!!
Queen:	Come all my friends. We must congratulate this clever boy!

(Выходят все и начинают петь)
